

# ARE YOU A UK ARMED FORCES VETERAN?

Did you have an experience during your military service that led you to question:

- **YOUR ACTIONS?**
- **THE ACTIONS OF OTHERS?**
- **THE KIND OF PERSON YOU ARE OR THE KIND OF WORLD WE LIVE IN?**

If so, we are running a research study looking at how these types of challenging experiences may impact military veterans and need YOUR HELP

Taking part involves completing an online questionnaire (approx. 20 minutes). Participation is anonymous and completely confidential.

Our goal is to better understand the different types of challenges personnel face during service and, ultimately, improve the support available to those who have been affected.

For more information on the study and how to participate:
